

Domingo Saturno-Napolitana Joins Fusion Petroleum Technologies Inc. As Country Manager for Mexico

May 26, 2004: The Woodlands, Texas

Fusion Petroleum Technologies Inc. is pleased to announce that Domingo Saturno-Napolitana, formerly from Veritas DGC, has joined the company as its Country Manager for Mexico.

In his new role, Domingo will provide in-country marketing, logistics and administrative support for Fusion's rapidly expanding business with Pemex in Mexico. Domingo will also become the Managing Director of a new Mexican subsidiary company. Fusion currently provides Pemex with a wide range of exploration and production technology and services in geophysics, geology and reservoir engineering including direct detection of hydrocarbons, reservoir characterization, geopressure prediction and shallow hazards analysis.

Domingo is a proven business development leader with experience in several areas of geophysical technology that are perfectly aligned with Fusion's growth plans. "Fusion is very pleased that Domingo has elected to join our company", said Dr. Alan R. Huffman, President of Fusion Petroleum Technologies Inc. "Domingo's technical expertise and business experience in Mexico will be of great value to Fusion as we expand our business with Pemex. He will also provide a critical in-country liaison function to increase our interactions across all of Pemex. I believe that Domingo will be a key player in the future expansion of Fusion's presence in Mexico."
