

**Dr. Marianne Rauch-Davies Joins Fusion Geophysical LLC as
General Manager of Seismic Imaging**

March 17, 2003: Norman, OK

Fusion Geophysical LLC is pleased to announce that Dr. Marianne Rauch-Davies, formerly with *Companie General de Geophysique*, has joined the company as General Manager of Seismic Imaging.

In her new role as the General Manager of Seismic Imaging, Dr. Rauch-Davies will manage the company's projects in seismic processing, depth imaging, inversion and modeling, and acquisition planning and design. She will work closely with Dr Alan R. Huffman, Vice President of Operations, to grow the company's business in these areas and assist with the marketing of Fusion's technologies to its clients.

"Fusion Geophysical LLC is very pleased that Marianne has elected to join our company", said Dr. John P. Castagna, President of Fusion Geophysical LLC. "Marianne is a seasoned technical leader with a broad range of domestic and international operational experience and a solid track record in the geophysical service industry. I believe that Marianne will be a key player in the future of Fusion and that she is an excellent choice to manage our projects and services in Seismic Imaging."
