

Fusion Petroleum Technologies Appoints Kevan Hanson as Vice President for Arabian Gulf Region

September 4, 2008, Houston, Texas

Fusion Petroleum Technologies Inc. (FPTI) announced today that it has appointed Kevan Hanson as Vice President for The Arabian Gulf Region. In this role, Mr. Hanson will be responsible for the daily operations of all Fusion services in Saudi Arabia and Kuwait and expansion of the business in the UAE and other countries in the region. Mr. Hanson comes to Fusion after a successful career at Petroleum Geo-Services (PGS), and has an excellent track record of building successful businesses for PGS in Saudi Arabia and Libya. Mr. Hanson will report directly to Dr. Alan R. Huffman, Chairman of Fusion.

"Fusion is very pleased that Kevan Hanson has decided to join our global management team," said Dr. Alan R. Huffman, Chairman of Fusion. "Fusion will be expanding rapidly in the next few years in the Arabian Gulf Region, and Kevan is the right person to lead this expansion because of his geophysical expertise and his intimate knowledge of the petroleum business in the region. I look forward to working closely with Kevan in building the business in The Arabian Gulf Region."
